Patentees respectfully request that a Certificate of Correction be issued noting the Assignee of "Hitachi, Ltd., Tokyo, Japan; and KDDI, Corp., Tokyo, Japan" be added to the Patent No. US 7,203,462 B2. This assignee name was inadvertently omitted from Issue Fee payment form.

As required by 37 CFR 1.323 Patentees hereby assert that this omission occurred without deceptive intent, is clerical in nature and of minor character, and that the issuing of a Certificate of Correction by the U.S. Patent Office should be granted as it would not include adding new matter nor would such change require a reexamination.

As required by MPEP 1481.01, Patentees hereby assert that the assignment from the inventors Kuwahara, Doi, Suzuki, Ishida, Inoue, and Niida was submitted and recorded under 37 CFR 3.11 prior to the issue of this patent. The relevant assignments were recorded on November 7, 2003 (inventors to Hitachi & KDD) on reel/frame 014570/ 0185; November 7, 2003 (merger KDD and DDI) on reel/frame 019097/0578; November 7, 2003 (name change of DDI to KDDI) on reel/frame 014670/0809.
